

PRIVACY POLICY

In accordance with Regulation (EU) 2016/679 of the European Parliament and of the Council on the protection of natural persons with regard to the processing of personal data and on the free movement of such data, BUGSCOUT INTERNATIONAL SL informs you that the data provided by you will be processed for the following purposes:

- Providing information on our products and services, when so requested by you.
- Replying to and addressing your queries, comments and suggestions.
- Inform you about your participation in this process and deliver the analysis report safely to the address provided by you

BUGSCOUT will keep your data for the period of time strictly necessary for the fulfilment of the purposes detailed above. We will keep such data duly blocked during the period in which responsibilities could be derived from your relationship with the user. Once the free trial is over, we don't keep your data, it is fully erased.

Filling this form, you expressly consent to the processing of your personal data for the purpose, we have described above. BUGSCOUT will not use your personal data for any other different purposes other than those mentioned above.

BUGSCOUT will take the necessary measures to keep professional secrecy and establish technical and organizational measures to safeguard information according to the legal requirements.

For your security, your information is encrypted in the form of code in the web. Also, BUGSCOUT doesn't store any source code on the platform or in the database.

Unless BUGSCOUT is required by a Public Authority, it will not transfer your data to third parties. Your data, used for the purposes of this demo, will be accessed only by this company and by NALBA TECHNOLOGY SPAIN INFORMATICA, S.L., as part of the same Groups' Companies.

The legal basis for the use of your data obtained through this trial is used with your consent given through your acceptance to this document. You can withdraw your permission at any time.

You can also exercise your right of access, rectification, deletion and opposition, limit the processing of your data or exercise your right to portability. All of this in writing, accompanied by your personal identification, addressed to the Data Protection Officer - address C/ CLAUDIO COELLO, 78 4ª PTA - 28001 MADRID, or to the email address, dpo@nfq.es. In case of disagreement, you can also file a claim with the Spanish Agency for Data Protection (aepd.es).

TERMS AND CONDITIONS

With your consent you accept the terms and conditions that govern the necessary process for this service, sending the source code and registering as a user on the site <https://bugscout.io/>

This service is intended for the following specifications,

1. The free demo offered on the site Bugscout.io is intended for users who have an interest in the SAST analysis tool (Static Application Security Test).
2. The source code is limited to 20 megabytes.
3. BUGSCOUT will issue a report to the users' email in PDF.
4. As this is a free demo, Bugscout reserves the right not to perform the analysis if the user is using our service in bad faith.

Responsibilities of the user:

- Provide truthful information regarding your data, provide the source code and complete at least the mandatory data, in addition to those attached documents that are essential.
- The conservation of original code sent through the website.
- As this is a free demo, It is not permitted to formally complain to BUGSCOUT about the service.
